MEMORANDUM

On September 11, 2007, Defendant, Jordan Benjamin, appeared before the Court for a Supervised Release revocation hearing. Upon request of the Probation Officer, the Court agreed to hold in abeyance the revocation proceedings for a period of 60 days in order to determine whether the Defendant could comply with the terms of his supervision. The Court further permitted Defendant to remain free on bond with the conditions of home confinement and electronic monitoring.

Based upon communications with the Probation Officer, it is counsel's understanding that Defendant has satisfied all terms and conditions of his supervised release and has had no violations of his bond restrictions. It is with the agreement of the Probation Officer that Defendant petitions the Court to allow him to be permitted to be returned to Supervised Release and that the Court order the removal of his bond restrictions including electronic monitoring and home confinement.

Respectfully submitted,

/s/ Curtis E. Kissinger
